SPARKING NEW FLAVOURS

Chef Mo is adept at sparking new flavours into international and western recipes with much-loved Malaysian ingredients. This skill catapulted him onto an international stage; Chef Mo was one of the top 12 finalists in the exhilarating TV series *Masterchef UK: The Professionals* (Season 11). He captured the imagination of the judges and audiences alike with his most notable creation - the Jackfruit Souffle.

The path to his world audience debut had humble beginnings in his hometown of Kuala Lumpur where his love for cooking was ignited at a young age by his parents who ran a restaurant serving hearty, local food. A culinary career captivated him and he cut his teeth through working in hotel kitchens around the city, before making the life-altering decision to move to the United Kingdom, a defining factor in shaping him into becoming the accomplished chef he is today.
